### Safeguard your hearing; remember to use the proper PPE!

Why you should use Hearing Protection Devices (HPD) as a defense from hazardous noise is the main message from SafetyWorld. But "How to do it?" will be a frequent question from your employees. That answer, plus answers to many other hearing protection questions, is in this important Outline. Hearing should last a lifetime; help them make sure it does.

### Protect your ears from percussion noise.

How does a Rock Musician hear music? Probably not too well, say Medical Specialists, because unceasing sound percussions haven't helped. Loud noise constantly happens in industrial workplaces too and this Outline describes how to measure and test for hazardous noise and the sort of ear protection that should be worn. Encourage workers to listen closely to this message!

## Take Care of Your Hearing, It's Worth Conserving!
