Better security could be the saviour of your company!

Scrutinize your security personnel and find out whether you could improve their work attitude toward terrorism or other outside threats. Yes, it is possible with SafetyWorld trained staff solidly behind you. One of the first benefits will be affirmative reactions from all your employees as they notice improved, positive behaviour due to security advancements.

In today's world danger lurks everywhere.

Business accidents and property fires are not the only safety emergencies employees may encounter, but also natural disasters, armed robbery or terrorist activities. The guidance provided in this Outline addresses all these hazards in a meaningful way including important planning and response steps to help all employees correctly react when faced by such dangers.

Security Guest Room and Guest Floor

Do guests just consider Housekeepers as janitorial cleaners rather than important members of the hotel's security team? Here's the chance to let guests know how big a part Housekeeping plays in keeping them safe. This Safety Program will show staff members how to play their part on the hotel's first line of defence.

SECURITY ALERT
SEE SOMETHING?

BACK OF THE HOUSE
"If you observe a similar situation, notify a Security Officer or your Supervisor immediately."

SAY SOMETHING!

Available in: English

Security Back of the House

How would your "Back-of-the-House" staff react to a premeditated attack rather than an impulsive act of rage? Terrorists hope you don't know and can only take defensive action after they "visit" your property. But with you taking the offensive it is possible to move from a negative attitude to a positive approach. Learn how here.

SECURITY ALERT
SEE SOMETHING?

FRONT OF THE HOUSE
"If you observe a similar situation, notify a Security Officer or your Supervisor immediately."

SAY SOMETHING!

233

Available in: English

Security Front of the House

Take a look at your property personnel and determine whether you could "harden" your "Front of the House" Associates against terrorist threats. Yes, it is possible with trained staff solidly behind you. One of the first benefits will be affirmative reactions from hotel guests as they notice positive and relaxed staff attitudes due to security advancements.

Terrorism, Freedom, Security. Watch out!

Noticed any unexpected workplace activities lately? Do visitors sign in, with conduct rules explained? Are unauthorized people reported? Do you agree careless talk is dangerous? These questions, among others, are categorized in this Outline. All employees have a responsibility to prevent harm to the plant and its workforce. What steps can you take? Find out, 'Let's tighten the ship'.
